Sistema Brevettato / Patented System

La struttura in alluminio modulare viene posizionata a parete con uno specifico binario, si può variare la composizione dimensionale, ma anche l'altezza da terra. I pannelli possono essere imbottiti o dotati di Specchio. I pannelli imbottiti sono rimovibili, interscambiabili e il rivestimento, sfoderabile, può essere realizzato monocromatico oppure con più texture o colori. Inoltre i pannelli possono essere dotati di Mensola Scacco, predisposizione di prese elettriche.

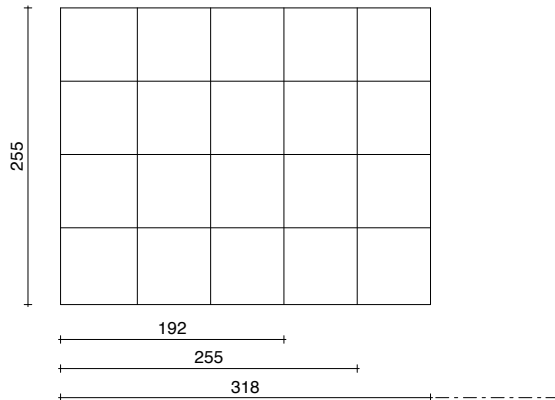

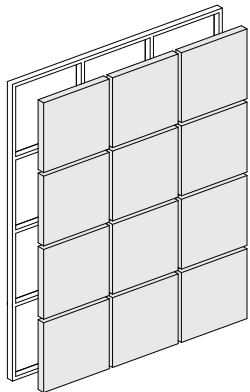

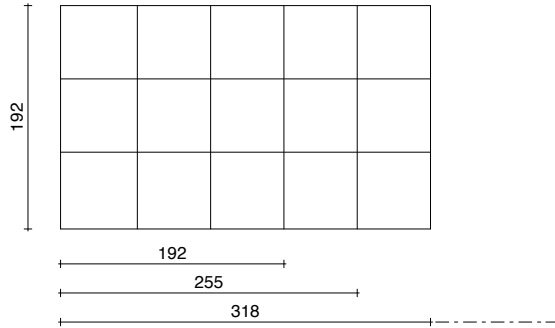

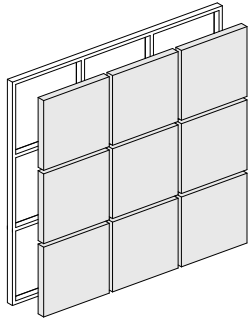

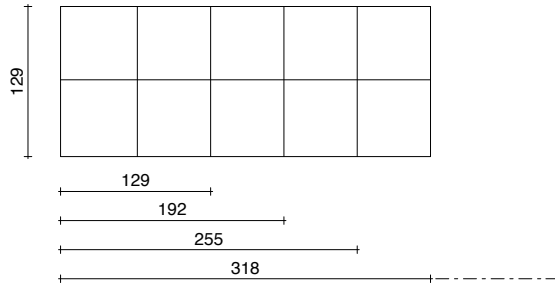

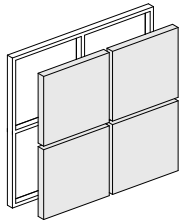

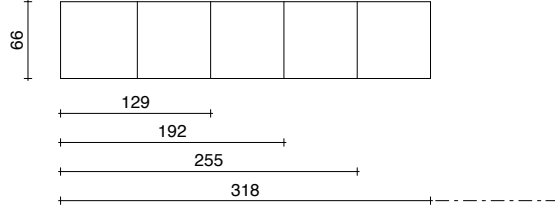

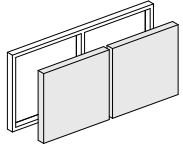

The modular aluminium structure is mounted on the wall with a special guide. The overall size and height from the floor can both be modified. The panels can be upholstered or fitted with a mirror.

The upholstered panels can be detached and swapped around while the removable cover can feature a single colour or multiple textures or colours. The panels can also be fitted with the Scacco Shelf, pre-configured with electrical sockets.
