

LERA DREAM

design Alessio Giovannetti / Brevettato

Struttura: Testata divisa in due elementi, reversibile in multistrato imbottita con memory-foam, poliuretano espanso a densità differenziata senza C.F.C. e ovatta sintetica con vellutino termolegato. Base in alluminio completamente smontabile, finitura con vernice a polvere. Pianale ortopedico in multistrato di betulla pantografato per permettere l'aerazione, spessore 16 mm, finitura naturale.

Rivestimento: tessuto, eco-synthetic e pelle completamente sfoderabile, oppure pelle e tessuto.

Finiture epossidiche base: Bianco Ral 9003, Sablé, Ardesia, Manganese, Bronzo, Bronzo Anodic, Bronzo Safari, Oro Ambra.

Frame: Plywood headboard upholstered in variable density, CFC-free polyurethane memory foam, synthetic wadding and thermal-bonded velveteen. Fully detachable aluminium base with powder-paint finish. Orthopaedic base in pantographed birch plywood to allow ventilation, 16 mm thick with a natural finish.

Cover: fabric, eco-synthetic and leather, fully removable, or leather and fabric.

Powdre-paint base finish: White Ral 9003, Sablé, Ardesia, Manganese, Bronze, Anodic Bronze, Safari Bronze, Amber Gold.

Facce Imbottite sfoderabili

Removable upholstered bands

Testata con 2 texture, basta girare la testata ed avere un altro look: sistema reversibile.

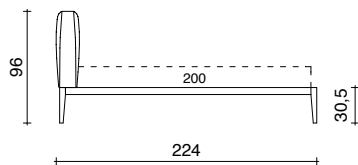

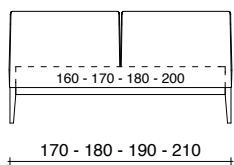

Headboard with 2 textures; just turn the headboard around to achieve a different look: reversible system.

Testata con 1 texture, basta girare la testata ed avere lo stesso comfort: sistema reversibile.

Headboard with 1 texture, just turn the headboard around to retain the same comfort: reversible system.
