

## SISTEMA SCACCO

DESIGN ALESSIO GIOVANNETTI /  
BREVETTATO

**Struttura:** Telaio in alluminio smontabile, rimovibile, può comprendere un modulo oppure una pluralità di moduli con relative cornici, finitura vernice a polvere. I pannelli in multistrato, con appositi mezzi di ancoraggio, possono avere l'imbottitura in poliuretano espanso e vellutino oppure possono avere lo specchio molato. I pannelli imbottiti sono rimovibili e intercambiabili.

**Rivestimento pannello:** tessuto, eco-synthetic e pelle completamente sfoderabile o specchio.

**Mensola Scacco:** struttura in alluminio, finitura vernice a polvere.

**Frame:** Detachable, removable aluminium frame, it can include one or more modules with the relevant frames and a powder-paint finish.

The plywood panels, with special attachments, can feature polyurethane foam padding and velveteen, or the bevel-edge mirror. The upholstered panels can be removed and swapped around.

**Panel cover:** full removable fabric, eco-synthetic and leather or mirror.

**Scacco Shelf:** aluminium structure, powder-paint finish.

### Abbinamenti / Combinations:

Abbinamenti consigliati con tutti i letti Sommier della nostra Collezione:

Recommended combinations with all the Sommier beds in our collection:

Lera - Plane - Basic - Major - Sponda Large - Sponda Stondata - Gala - Gala Major - Wonder - Dress

### Sistema Brevettato / Patented System

La struttura in alluminio modulare viene posizionata a parete con uno specifico binario, si può variare la composizione dimensionale, ma anche l'altezza da terra. I pannelli possono essere imbottiti o dotati di Specchio. I pannelli imbottiti sono rimovibili, interscambiabili e il rivestimento, sfoderabile, può essere realizzato monocromatico oppure con più texture o colori. Inoltre i pannelli possono essere dotati di Mensola Scacco, predisposizione di prese elettriche.

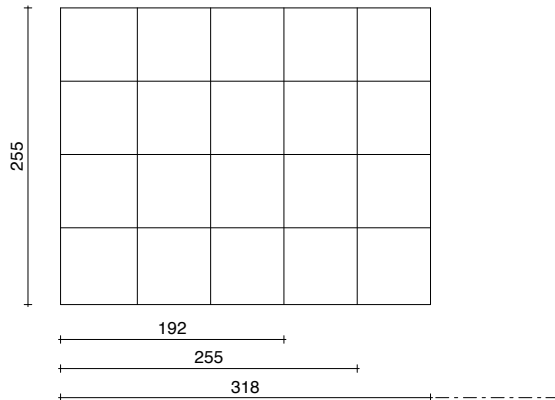

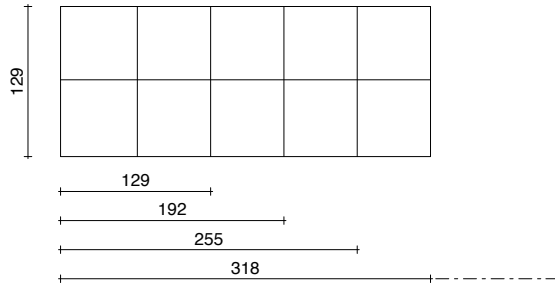

The modular aluminium structure is mounted on the wall with a special guide. The overall size and height from the floor can both be modified. The panels can be upholstered or fitted with a mirror.

The upholstered panels can be detached and swapped around while the removable cover can feature a single colour or multiple textures or colours. The panels can also be fitted with the Scacco Shelf, pre-configured with electrical sockets.
